Important festivals

13 January Lohri Festival

- Lohri is a popular **Indian Punjabi folk festival** primarily celebrated in the country's northern regions.
- Lohri is a festival that signifies the **end of winter and the start of spring**. The January **sugarcane harvest** is celebrated in the Lohri festival
- it is celebrated **one night before Makar Sankranti** festival
- Dulla Bhatti: The festival is associated with the legend of **Dulla Bhatti, a local hero who rescued Punjabi girls from the Mughals**. Folk songs about Dulla Bhatti are a part of the Lohri festival.
- It is commemorated by the **lighting of a holy bonfire**, which is considered as a symbol of fertility, auspiciousness, and good fortune, especially for new brides and newborn children.

Sankranti, Bihu & Pongal

Makar Sankranti 2025 - January 14

- As **the sun moves north**, bringing **longer days and warmer nights**, India prepares to celebrate Makar Sankranti
- a significant shift in the astrological and agricultural cycles and is observed throughout India **to worship Lord Surya**, the Sun God **when the sun enters Makara (Capricorn) from the Dhanu Rashi (Sagittarius)**.
- According to Hindu mythology, Sankranti was a divinity who slew the demon Sankarasur on the day after Makar Sankranti, also known as Karidin or Kinkrant. Similarly, Devi murdered the evil Kinkarasur.

Different Names of Sankranti Festival in Different States

- ▶ In UP and Gujarat, the festival is known as Uttarayan or Kicheri.
- ▶ In Odisha, it is called Makara Chaula
- ▶ In Bihar - Til Sakraat or Dahi Chura.
- ▶ Kerala – Makara vilakku.
- ▶ Karnataka - Suggi.
- ▶ Tamil Nadu - as Pongal
- ▶ In Maharashtra and Goa - Haldi Kumkum or Maghi Sankrant.
- ▶ In Himachal Pradesh - Magha Saaji.
- ▶ In Assam - Magh Bihu or Bhogali Bihu.
- ▶ In West Bengal - Poush Sankranti.

Pongal 2025 : Pongal, one of the most significant Hindu festivals of South India, **especially in Tamil Nadu**.

- The word Pongal **means 'overflow' or 'boiling over'**.
- Also known as Thai Pongal, the four-day occasion** is observed in the month of Thai, when crops such as **rice are harvested** and people show their gratitude to the almighty and the generosity of the land.
- This year, Pongal will start on **January 14, 2025** and **continue for four days**, concluding on **January 17, 2025 (Friday)**.
- Tamilians celebrate the occasion by making **traditional designs known as kolams in their homes**

- Additionally, the traditional Pongal dish is made from newly harvested rice and is further offered to the Sun God.

The four days of Pongal

- **Bhogi Pongal:** The first day of Pongal, when people burn old items and celebrate new possessions.
- **Surya Pongal or Thai Pongal:** The second day of Pongal, when people worship the Sun God.
- **Mattu Pongal:** The third day of Pongal, when people worship cattle.
- **Kaanum Pongal:** The fourth day of Pongal, when people perform songs and dances, and exchange gifts

Bihu:

- People celebrate **Magh Bihu/Bhogali Bihu** (celebration of the harvest season).
- Bihu is the **main festival of Assam. It is celebrated three times a year:**
 - **Rongali or Bohag Bihu** is observed in **April** (Assamese New Year and the onset of spring.).
 - **Kongali or Kati Bihu** observed in **October**
 - **Bhogali or Magh Bihu** observed in **January** (festival of food).
- **Festive food - pitha** (rice cake) and **larus** (traditional food made of rice, coconut) are prepared.
- The **Dimasa Kacharis tribe** is known to be the festival's first-known ancestors.
- **Rituals**
 - **Magh Bihu is celebrated over two days.**
 - The **first day** is known as **Uruka or Bihu eve**.
 - On this day, **Meiji (bonfire) is burnt** with people singing Bihu songs, beating Dhol, and celebrating with their loved ones.
 - The main Magh Bihu is observed the next day.

Thiruvalluvar Day

- **usually observed either on January 15 or 16 in Tamil Nadu and is a part of Pongal celebrations.**
- **Thiruvalluvar** was a poet and philosopher, is **regarded as a cultural icon by Tamils.**
- He is fondly referred to as Valluvar by Tamils.
- Thiruvalluvar's primary work **Thirukkural contains 1330 couplets (kurals)** a collection of couplets on ethics, politics, economy and love.
- The text is divided into three parts with teachings on dharma, artha, and kama (virtue, wealth and love).

17th June	World Crocodile Day	- On World Crocodile Day (17th June), India commemorates 50 years of its Crocodile Conservation Project (CCP) (1975–2025), with Odisha emerging as the epicentre of this pioneering ecological effort. Odisha is the only Indian state to host wild populations of all three native crocodilian species (Gharial (<i>Gavialis gangeticus</i>), Mugger crocodile (<i>Crocodylus palustris</i>) and Saltwater crocodile (<i>Crocodylus porosus</i>)). Crocodile Conservation Project: India launched its CCP at Odisha’s Bhitarkanika National Park with support from United Nations Development Programme and the Food and Agriculture Organisation. Crocodiles: They are the largest surviving reptiles, primarily inhabit freshwater swamps, lakes, and rivers, with one saltwater species.

		- They are nocturnal and poikilothermic (also known as ectotherms or cold-blooded animals, are characterized by their body temperature fluctuating with the surrounding environment). - Their survival is threatened by habitat destruction, egg predation, poaching, dam construction, and sand mining. Population: India hosts nearly 80% of the global wild gharial population, with around 3,000 individuals across sites like National Chambal Sanctuary, Katarnia Ghat, and Son Gharial Sanctuary. The saltwater crocodile population has recovered to about 2,500, mainly in Bhitarkanika, Andaman & Nicobar Islands, and the Sundarbans. <u>Mugger or Marsh Crocodile:</u> Protection Status: IUCN List of Threatened Species: Vulnerable CITES : Appendix I Wildlife Protection Act, 1972 : Schedule I <u>Estuarine or Saltwater Crocodile:</u> Protection Status: IUCN List of Threatened Species: Least Concern CITES : Appendix I (except the populations of Australia, Indonesia and Papua New Guinea, which are included in Appendix II). Wildlife Protection Act, 1972 : Schedule I <u>Gharial:</u> Protection Status: IUCN List of Threatened Species: Critically Endangered CITES: Appendix I Wildlife Protection Act, 1972: Schedule I
19 June -	World Sauntering Day	- Saunter is a slow style of walking while carrying a cheerful attitude. - W.T. Rave created World Sauntering Day in 1979 after jogging began to grow in popularity. He wanted people to slow down and appreciate the world around them.
19 June -	World Sickle Cell Awareness Day	- World Sickle Cell Day is an international awareness day commemorated every year on 19 June, to alert the global public about sickle cell disease. - Theme is "Global Action, Local Impact: Empowering Communities for Effective Self-Advocacy." <u>About Sickle Cell Disease (SCD):</u> - It is an inherited blood disorder. - It is marked by flawed hemoglobin. - Hemoglobin is the molecule in red blood cells (RBCs) that carries oxygen to the tissues of the body. How does it affect blood flow? - Normally, RBCs are disc-shaped and flexible enough to move easily through the blood vessels. - People with SCD have atypical hemoglobin molecules called hemoglobin S, which can distort RBCs into a sickle, or crescent, shape. - These sickled RBCs do not bend or move easily and can block blood flow to the rest of the body.

		- SCD interferes with the delivery of oxygen to the tissues. Treatments: - A bone marrow transplant (stem cell transplant) can cure SCD. - However, there are treatments that can help relieve symptoms, lessen complications, and prolong life. - Gene therapy is also being explored as another potential cure. - The UK recently became the first country to approve gene therapy treatment for SCD.
19 June	International Day for the Elimination of Sexual Violence in Conflict	- On 19 June 2015, the United Nations General Assembly proclaimed 19 June of each year the International Day for the Elimination of Sexual Violence in Conflict, - The date was chosen to commemorate the adoption on 19 June 2008 of Security Council resolution 1820 (2008) - THEME: Breaking the Cycle, Healing the Scars: Addressing the Intergenerational Effects of Conflict-Related Sexual Violence

20 th November	Africa Industrialization Day	- Africa Industrialization Day – 20 November - Proclaimed by the UN General Assembly in December 1989. - Africa Industrialization Week 2025

		▪ Held in Kampala, Uganda from 17–21 November 2025. ▪ Theme: “Transforming Africa’s Economy through Sustainable Industrialization, Regional Integration and Innovation.”
21 st November	World Television Day	▪ The United Nations General Assembly proclaimed 21 November as World Television ▪ On 21 and 22 November 1996 the United Nations held the first World Television Forum.
19 th November to 25 th November	World Heritage Week	▪ The Archaeological Survey of India (ASI) under the Ministry of Culture is celebrating this. ▪ Observed every year. ▪ Aim: Promote conservation and awareness about cultural and historical heritage. ▪ The week highlights and celebrates UNESCO World Heritage Sites and the importance of preserving global heritage.
21 st November	World Fisheries Day	▪ The day traces its origins to 1997, when delegates from 18 countries convened in New Delhi to establish the World Fisheries Forum, ▪ Theme “India’s Blue Transformation: Strengthening Value Addition in Seafood Exports.” Pradhan Mantri Matsya Sampada Yojana (PMMSY) ▪ The Pradhan Mantri Matsya Sampada Yojana (PMMSY), launched on September 10, 2020, is a flagship initiative of the Department of Fisheries, Ministry of Fisheries, Animal Husbandry, and Dairying. ▪ Outlay: ₹20,312 crore (2020–21 to 2025–26). ▪ Aim: Promote the Blue Revolution. India’s Fisheries Status ▪ India is 2nd-largest fish producer & among largest shrimp producers globally. ▪ Fish production doubled: 96 lakh tonnes (2013–14) → 195 lakh tonnes (2024–25). ▪ GST cut on key fish products: 12% → 5%, boosting affordability & export competitiveness. NABHMITRA (A Friend in the Sky) ▪ Tracking system for small fishing vessels (<20 m). ▪ Provides two-way communication, real-time tracking, SOS alerts, and resource management via a Centralized Control Centre. ReALCRaft ▪ Web-based, open-source platform for online registration of fishing vessels & digital issuance of fishing licences. Marine Fisheries Census (MFC) 2025 ▪ Launched: 31 October 2025. ▪ Fully digital & geo-referenced census. ▪ Conducted under PMMSY by: ICAR- Central Marine Fisheries Research Institute (nodal agency) & Fishery Survey of India (FSI) (operational partner) ▪ Duration: 45 days (3 Nov–18 Dec 2025). ▪ Coverage: 1.2 million fisher households, 5,000 villages, 13 coastal States/UTs.

23 rd November	Fibonacci Day	- November 23 is celebrated as Fibonacci day because when the date is written in the mm/dd format (11/23), the digits in the date form a Fibonacci sequence: 1,1,2,3 - Fibonacci sequence is a series of numbers where a number is the sum of the two numbers before it. - The day honours Leonardo of Pisa (commonly known as Fibonacci), an Italian mathematician who popularised the sequence in his book Liber Abaci (1202).
24 th November	World Conjoined Twins Day	- General Assembly decided to proclaim 24 November as World Conjoined Twins Day. “Conjoined twins are rare identical twins whose bodies stay joined because the embryo divides late (around 13–15 days after conception). They share one placenta and one amniotic sac.”
24 th November	Lachit Diwas	To mark the birth anniversary of Assamese folk hero Lachit Borphukan. - Lachit was a legendary army commander of the Ahom kingdom, known for his leadership in the 1671 Battle of Saraighat. - He defeated the Mughal forces led by Raja Ramsingh-I in the Battle of Saraighat, stopping their long attempt to retake Assam. Appointed as one of the five Borphukans by King Charadhwaj Singha, with administrative, judicial, and military responsibilities. Ahom Kingdom – Key Points - The Ahom dynasty ruled Assam and the Northeast from 1228–1826 AD, making it one of India’s longest-ruling dynasties. - At its peak, the kingdom stretched from modern Bangladesh to deep inside Burma (Myanmar). Founded by Sukapha (13th century), the Ahom kingdom was a prosperous, multi-ethnic kingdom, thriving on rice cultivation in the Brahmaputra valley. Charaideo & Moidams : Charaideo was the first permanent capital of the Ahom empire, founded by Chao Lung Siu-Ka-Pha. Charaideo Moidams (Ahom royal burial sites) are now UNESCO World Heritage Sites.
25 th November	International Day for the Elimination of Violence against Women	- On 7 February 2000, the General Assembly adopts resolution 54/134, officially designating 25 November as the International day for the Elimination of Violence Against Women. - THEME: For 2025, the global theme is “UNiTE to End Digital Violence against All Women and Girls”. - The International Day for the Elimination of Violence Against Women will mark the launch of the UNiTE campaign (Nov 25- Dec 10) — an initiative of 16 days of activism concluding on the day that commemorates the International Human Rights Day (10 December).

26 th November	Constitution Day of India	▪ 26 November, mark the day when the Constitution of India was adopted in 1949. ▪ The Constitution came into force on 26 January 1950; the day India celebrates as Republic Day. • Constitution Day (Samvidhan Diwas) was officially declared in 2015, to commemorate the 125th birth anniversary of Dr. B.R. Ambedkar. ‘Hamara Samvidhan Hamara Samman’ Campaign ▪ Started by Department of Justice to commemorate the 75th year of India as a republic . ▪ Launched by the Vice-President on Jan 24, 2024 at Dr. B.R. Ambedkar International Centre, New Delhi. Includes three sub-campaigns: ▪ Nav Bharat Nav Sankalp (new India pledge) ▪ Vidhi Jagriti Abhiyaan (legal awareness). ▪ Sabko Nyay – Har Ghar Nyaya (justice for all), SABKO NYAYA: Panch Pran Pledge campaign ▪ A development-oriented country ▪ The eradication of a servile mentality ▪ Pride in our traditions ▪ A commitment to unity and integrity ▪ Awakening of a sense of duty in all citizens. About Constitution Longest written Constitution of any sovereign nation. Originally contained: 395 Articles; 22 Parts ; 8 Schedules Background : The Constituent Assembly was constituted in December 1946. Dr. Rajendra Prasad served as its President. The Drafting Committee was chaired by Dr. B.R. Ambedkar, widely recognised as the “Father of the Indian Constitution.” The drafting process took 2 years, 11 months, and 18 days. The Constitution formally established India as a Sovereign Democratic Republic (later expanded to Sovereign Socialist Secular Democratic Republic via 42nd Amendment, 1976).
26 th November	National Milk Day	▪ Celebrated on 26 November to honour Dr. Verghese Kurien, the Milk Man of India. Dr. Verghese Kurien: ▪ Born on 26 Nov 1921 in Calicut (Kozhikode), Kerala. ▪ Known as the Father of the White Revolution in India. ▪ Led Operation Flood, the world’s largest agricultural dairy program. ▪ Played a major role in creating and expanding the Amul brand. ▪ International awards: Ramon Magsaysay Award for Community Leadership ; Wateler Peace Prize Award of Carnegie Foundation; World Food Prize ▪ National awards: Padma Shri ; Padma Bhushan ;Padma Vibhushan; Krishi Ratna Award ▪ He passed away at the age of 91 in 2012. ▪ Operation Flood: It was launched on 13th January, 1970. It was the world's largest dairy development programme.

		Establishment of Institutions by Verghese Kurien ▪ Institute of Rural Management, Anand (IRMA): Founded by Dr. Verghese Kurien in Anand to offer management training and research support for India's cooperatives. ▪ Setup Gujarat Cooperative Milk Marketing Federation/ Amul Federation. India's Dairy Sector ▪ India milk productivity up 27.39% (global avg 13.97%). Sheep & Goats aid milk in dry areas. ▪ India has been the world's largest milk producer since 1998. ▪ It contributes 22–25% of global milk output—about one-fourth of the world's total. ▪ This makes dairy one of the strongest pillars of India's rural economy and food security. ▪ India leads ahead of the USA, China, Pakistan, and Brazil. Rashtriya Gokul Mission (RGM) ▪ Started 2014 to conserve/improve indigenous cattle & buffalo breeds and boost productivity. Revised in March 2025 to fast-track livestock growth. ▪ Now a Central Sector scheme under Development Programmes with ₹3,400 crore (₹1,000 crore added) for 2021–26. MAITRIs ▪ Rural breeding service providers (Multipurpose AI Technicians). ▪ Provide doorstep breeding & veterinary services. National Programme for Dairy Development (NPDD) ▪ Running since 2014–15 to improve milk quality, processing, marketing, and cooperative infrastructure. ▪ Restructured in 2021 for 2021–22 to 2025–26. GST Reforms (2025) – Huge Relief for Dairy Sector ▪ 56th GST Council (3 Sept 2025) approved major tax cuts. Tax-free: UHT milk, pre-packaged paneer. ▪ Shifted to 5% slab (from 12%): butter, ghee, dairy spreads, cheese, condensed milk, milk-based beverages. Ongoing National Efforts for Dairy Growth ▪ White Revolution 2.0 : Standard Operating Procedure for this launched on 19 Sept 2024 to strengthen dairy cooperatives, boost jobs, and increase women's participation in organised dairying. Runs for 2024–25 to 2028–29. ▪ Sabar Dairy Plant (Rohtak, Haryana) : India's largest curd, buttermilk & yoghurt plant. Inaugurated on 3 Oct 2025. ▪ National Gopal Ratna Awards 2025: Announced by Department of Animal Husbandry & Dairying. Awards for: best dairy farmers, top cooperatives/MPOs, and AI technicians.

26 th November	World Sustainable Transport Day	▪ Every year on 26 November, World Sustainable Transport Day recognizes the essential role of safe, affordable,
---------------------------	---------------------------------	---

		accessible and sustainable transport systems in advancing economic growth, promoting social welfare and reducing greenhouse gas emissions. - Adopted in May 2023 - United Nations Decade of Sustainable Transport (2026–2035)
28 th November	Red Planet Day	28th November is marked as Red Planet Day commemorating the day when National Aeronautics and Space Administration (NASA) mission Mariner 4 was launched in 1964. - Mariner 4 captured significant information on, and photographs of, Mars for the first time. Key Points Related to Mars? Size and Distance: - It is the fourth planet from the Sun and the second-smallest planet in the Solar System. - Mars is about half the size of Earth Similarity to the Earth . - As Mars orbits the Sun, it completes one rotation every 24.6 hours, which is very similar to one day on Earth (23.9 hours). - Mars has distinct seasons like Earth, but they last longer than seasons on Earth. Other Features: - The reason Mars looks reddish is due to oxidation or rusting of iron in the rocks, and dust of Mars. Hence it is also called the Red Planet. - It has the largest volcano in the solar system i.e., Olympus Mons. - It has two small moons, Phobos and Deimos.
28 th November	Black Friday	- This annual shopping event that takes place the day after Thanksgiving celebrations. - Thanksgiving Day is observed as a national holiday in the United States and Canada to mark the harvest. - It is observed on different days in different countries. In the United States, it is observed on the fourth Thursday in November and on the second Monday in October in Canada.
29 th November	International Day of Solidarity with Palestinian People	- In 1977, the General Assembly called for the annual observance of 29 November as the International Day of Solidarity On that day in 1947, the Assembly adopted the resolution on partitioning the Palestinian territory into an Arab State and a Jewish one. Background : - The Israeli-Palestinian conflict is one of the world's most enduring conflicts, with the Israeli occupation of the West Bank and the Gaza Strip After World War I: The Ottoman Empire, which ruled much of the Middle East, was defeated. Britain took control of the area called Palestine. Population at that time : Arab majority & Jewish minority

		▪ Rising Tensions: After the war, the international community asked Britain to help create a “national home” for Jewish people in Palestine. ▪ This increased tensions between Arabs (who already lived there) and Jews (whose immigration was rising due to persecution in Europe). ▪ UN Partition Plan of 1947 : Jerusalem should be a neutral international city (because of its religious importance). ▪ Creation of Israel (1948): Britain could not control the conflict and withdrew in 1948. Jewish leaders declared the creation of the State of Israel. This led to the first Arab–Israeli war, beginning the long-standing conflict. India's support for Palestinian statehood has deep roots: 1974: India became the first non-Arab state to recognize the Palestine Liberation Organization (PLO) as the sole representative of the Palestinian people. 1988: India was among the first countries to recognize the State of Palestine following its declaration by the PLO. UNRWA Support: India has consistently contributed to the United Nations Relief and Works Agency for Palestine Refugees, providing humanitarian assistance to Palestinian refugees.
29 th November-	International Jaguar Day	▪ International Jaguar Day is observed annually on November 29. ▪ Created to raise awareness about the increasing threats facing the jaguar and the critical conservation efforts ensuring its survival. ▪ It celebrates the Americas’ largest wild cat as an umbrella species for biodiversity conservation and an icon for sustainable development and the centuries-old cultural heritage of Central and South America. Jaguars (Panthera onca): Jaguars (Panthera onca) are often mistaken for leopards, but can be differentiated due to the spots within the rosettes on their coats. While many cats avoid water, jaguars are great swimmers, and have even been known to swim the Panama Canal They’re typically found in tropical rainforests but also live in savannas and grasslands. Jaguars are classified as Near-threatened by the International Union for the Conservation of Nature. The trade in its parts is banned by CITES. International Big Cat Alliance (IBCA) Launched: April 9, 2023, by the Indian Prime Minister in Mysuru during the 50 years of Project Tiger celebration. Objective: Global cooperation to conserve seven big cats and their habitats: Tiger, Lion, Leopard, Snow Leopard, Cheetah, Jaguar, Puma India’s Presence: Out of these seven species, five big cats occur in India — Tiger, Lion, Leopard, Snow Leopard, Cheetah (reintroduced).
30 th November-	International Computer Security Day reminds us to protect our computers.	

30 th November-	Saint Andrew's Day	- St Andrew's Day is the feast day of Andrew the Apostle and is celebrated every year in Scotland on the 30 November. - In 1320, St Andrew officially became the patron saint of Scotland when the country's independence was declared with the signing of The Declaration of Arbroath.
----------------------------	--------------------	---

DECEMBER

Date	Day	Remark
1 st December	World AIDS Day	- World AIDS Day is observed every year on 1 December - It was founded in 1988 by the World Health Organization (WHO) and was the first ever global health day with a motto of raising public awareness about Acquired ImmunoDeficiency Syndrome (AIDS). The theme for 2025 is 'Overcoming Disruption , Improving AIDS Response ' . Strong policy framework in India : Landmark measures such as the HIV / AIDS (Prevention and Control) Act , 2017 protect the rights of people living with HIV and prevent discrimination . - Progress through the National AIDS Control Program (NACP) . AIDS: - It is caused by HIV, a retrovirus. HIV attacks CD4 (T-cells) of the immune system. - HIV spreads through blood, semen, vaginal/rectal fluids, breast milk. - NOT spread by touch, food, air, mosquito bites. Symptoms: fever, fatigue, weight loss, pneumonia, genital sores. - HIV cannot be cured; it stays lifelong. Treatment is ART (antiretroviral therapy) to control the virus. Prevention: safe sex, clean needles, HIV testing, avoid unsafe blood. - Prevent mother-to-child HIV through ART and safe delivery National AIDS Control Programme (NACP) - It has evolved through five stages , moving from baseline awareness to widespread prevention , testing , treatment, and sustainability. NACP I (1992–1999) - Launched India 's first comprehensive HIV/AIDS prevention and control program . Objective: To slow the spread of HIV and reduce morbidity, mortality , and the overall impact of AIDS . NACP II (1999–2006) - Focused on two key objectives : - Reducing the spread of HIV in India . Strengthening long term national capacity to combat HIV / AIDS . NACP III (2007–2012) Goal: Halt and reverse the HIV epidemic by 2012 . NACP IV (2012–2017)

		▪ Goal : Accelerate the reversal of the pandemic and ensure a unified response . Objective: ▪ Reduce new infections by 50 percent (compared to the 2007 baseline) . ▪ Comprehensive care , support and treatment for all PLHIV (People Living With HIV) . ▪ Extended (2021-2030) to further the goal of ending AIDS by 2017 . Key initiatives during expansion : HIV/AIDS (Prevention and Control) Act, 2017 ▪ Prohibits discrimination against PLHIV. ▪ Ensures confidentiality of HIV status. ▪ Mandates informed consent for testing and treatment. ▪ Promotes access to prevention, treatment, and care. Mission Sampark ▪ Aimed to “reconnect” PLHIV who discontinued ART. ▪ Locates and re-engages those lost to follow-up. ▪ Uses community-based testing and follow-up approach. ‘Test and Treat’ Policy ▪ ART initiation for all diagnosed HIV cases, regardless of CD4 (SURFACE PROTEIN) count. NACP V (2021-2026) The fifth phase, launched as a Central Sector Scheme, aims to build on earlier gains, address remaining challenges, and support UN SDG 3.3 by ending HIV/AIDS as a public-health threat by 2030 through comprehensive prevention, testing, and treatment services.
1st December	Antarctica Day	▪ India celebrated Antarctica Day (1st December) while also marking 25 years of the National Centre for Polar and Ocean Research (NCPOR), Goa . ▪ Antarctica Day: It commemorates the Antarctica Treaty (1959), that set aside nearly 10% of Earth for peaceful purposes and scientific research. ▪ The Treaty froze territorial claims to the continent, banned nuclear weapons and waste on the continent, and preserved the entire region south of 60 degrees south latitude for peaceful purposes. ▪ India has been a Consultative Party since 1983, ▪ NCPOR: It was established in 1998 under the Ministry of Earth Sciences (MoES), NCPOR is India’s nodal agency for coordinating the Indian Antarctic Programme and maintaining the Maitri (1989) and Bharati (2011) research stations. ▪ Located in Goa, it leads multidisciplinary polar and Southern Ocean research and has recognised research facilities for doctoral studies. ▪ NCPOR has established India’s permanent research stations: Dakshin Gangotri, Maitri, Bharati (Antarctica) and Himadri (Arctic), along with the Himalayan research station Himansh. ▪ The Ministry of Finance has approved Maitri-II, a new East Antarctica research station to be led by NCPOR.

1st December	Border Security Force 61st Raising Day	1st December - BSF was established in 1965 following the India-Pakistan war to enhance border security. - The BSF has an air wing, marine wing, an artillery regiment, and commando units. - It works under the administrative control of the Ministry of Home Affairs. - The BSF, is deployed on the Indo-Pakistan International Border, Indo-Bangladesh International Border, Line of Control (LoC) along with the Indian Army and in Anti-Naxal Operations regions.
2 nd December	National Pollution Control Day	- December 2nd is observed as National Pollution Prevention Day in India. This day is observed in the memory of people who lost their lives in Bhopal gas calamity. Bhopal gas tragedy occurred in the year 1984 on the night of 2–3 December. - It was India's first major Chemical (industrial) disaster. - A highly toxic Methyl Isocyanate (MIC) gas leaked from a pesticide plant owned by Union Carbide India Limited (Bhopal). Methyl Isocyanate (CH₃NCO) is Volatile, colorless liquid that is extremely flammable, and potentially explosive when mixed with air. Liquid and vapor are toxic when inhaled, ingested, or exposed to the eyes or skin. Other Chemical Disasters in India Ammonia Gas Leak at Chennai (2024): Due to damaged gas pipeline caused by cyclone Michaung. Vizag Gas Leak (2020): Styrene gas leak at LG Polymers in Visakhapatnam. Tughlakabad Gas Leak (2017): Chemical Chloro methylpyridine (used in pesticides manufacturing) leaked from container.
2 nd December -	International Day for the Abolition of Slavery	- The International Day for the Abolition of Slavery, 2 December. - Marks the adoption of the UN Convention for the Suppression of the Traffic in Persons and of the Exploitation of the Prostitution of Others on 2 December 1949 by the UN General Assembly.

4 December	Navy Day	- Indian Navy Day 2025 is observed on 4 December to honour the courage, discipline, and sea security role of the Indian Navy. - The 2025 theme is "Combat Ready, Cohesive and Self-Reliant." - It marks Operation Trident (1971) during the India–Pakistan War of 1971, India's first major naval offensive.
4 th December	International Cheetah Day	- American zoologist Dr Laurie Marker is credited with creating International Cheetah Day. - Dr Marker founded the Cheetah Conservation Fund in 1991 and she designated December 4 as International Cheetah Day in 2010. About Cheetah - It is one of the oldest of the big cat species, with ancestors that can be traced back more than five million years to the Miocene era. - Namibia has the world's largest population of cheetahs. - The fastest land animal in the world. - In 1952, the Indian government officially declared the Asiatic Cheetah extinct in the country. - All cheetah subspecies are listed as vulnerable by the IUCN, except the Northwest African and Asiatic cheetah which are critically endangered at present. - India-Botswana formally announced translocation of eight cheetahs to India as a part of 'Project Cheetah'. About Project Cheetah About: Launched in 2022, Project Cheetah aims to translocate African cheetahs to India. - In 2022, eight cheetahs from Namibia were translocated to Kuno National Park, followed by twelve cheetahs from South Africa in 2023. Implementing agency: National Tiger Conservation Authority (NTCA).
5 th December	International Volunteer Day	Theme "Every Contribution Matters," An international observance mandated by the United Nations General Assembly in 1985. United Nations General Assembly proclaimed 2001 as the International Year of Volunteers (IYV)
5 th December	World Soil Day	THEME: Healthy Soils for Healthy Cities Under the leadership of the Kingdom of Thailand and within the framework of the Global Soil Partnership, FAO has supported the formal establishment of WSD and requested General Assembly for Adoption. In December 2013, the UN General Assembly designated 5 December 2014 as the first official World Soil Day.
7 th December	International Civil Aviation Day	- International Civil Aviation Day was established in 1994 as part of ICAO's 50th anniversary activities - In 1996, pursuant to an ICAO initiative, Canadian Government, the United Nations General Assembly recognized 7 December as International Civil Aviation Day in the UN system. - The theme of International Civil Aviation Day for 2025 is "Safe Skies & Sustainable Future for All". - International Civil Aviation Organization is a United Nations (UN) specialized agency, established in 1944, by the Convention

		on International Civil Aviation (1944) known as Chicago Convention.
7 th December-	Armed Forces Flag Day	▪ Armed Forces Flag Day is a day dedicated to honouring the servicemen and veterans of India's armed forces — including the Indian Army, Indian Navy and Indian Air Force ▪ The observance began in 1949.
8 th December	Bodhi Day	▪ Bodhi Day marks the day when Siddhartha Gautama — who became the Buddha — is believed to have attained enlightenment (bodhi) under the sacred Bodhi Tree in Bodh Gaya. ▪ "Bodhi" in Sanskrit and Pali means "awakening" or "enlightenment." ▪ For many Buddhist communities around the world — especially in Mahayana traditions — December 8 is the fixed date for observing Bodhi Day. ▪ Buddhism: A spiritual philosophy founded by Gautama Buddha in the 6th century BCE. Gautama Buddha – Birth ▪ Born 563 BCE, Lumbini (Nepal). ▪ Parents: Queen Maya & King Suddhodana (Shakya clan). Early Life ▪ Lived in luxury at Kapilavastu. ▪ Married Yashodhara; son Rahula. Four Sights ▪ Saw old man, sick man, dead body, monk → realized suffering & impermanence. ▪ Great Renunciation (Mahabhinishkramana) ▪ At 29, left palace, wealth, and family to find truth. Enlightenment ▪ Meditated under Bodhi Tree, Bodh Gaya. ▪ At 35, attained Nirvana. First Sermon ▪ At Sarnath, gave Dharmachakra Pravartana. ▪ Taught Four Noble Truths and Eightfold Path. Mahaparinirvana ▪ At 80, passed away at Kushinagar—final release from rebirth
9 th December	International Anti-Corruption Day	▪ THEME : Uniting with Youth Against Corruption: Shaping Tomorrow's Integrity ▪ The campaign for International Anti-Corruption Day 2024-2025 focuses on the role young guardians of integrity play as advocates, raising awareness about corruption and its impacts on their communities. ▪ Established by United Nations General Assembly in 2003
9 th December	International Day of Commemoration and Dignity of the Victims of the Crime of Genocide and of the Prevention of this Crime	▪ Established by the UN in 2015. ▪ This year marks the tenth anniversary

10 th December	Human Rights Day	2025 Theme – Human Rights, Our Everyday Essentials - The Declaration was proclaimed by the United Nations General Assembly in Paris on 10 December 1948 - It commemorates the anniversary of one of the world's most groundbreaking global pledges: the Universal Declaration of Human Rights (UDHR).
11 th December	International Mountain Day	- International Mountain Day, observed on 11th December, was established by the United Nations and celebrated since 2003 through FAO, creates awareness about the importance of mountains to life. 2025 Theme: Glaciers matter for water, food and livelihoods in mountains and beyond
11 th December	UNICEF Day	- Day is an annual commemoration of the founding of the UNICEF in 1946. - UNICEF Full Form is the United Nations International Children Emergency Fund. The name was changed to United Nations Children's Fund in 1953. Also in 1953, it became a permanent member of the United Nations system. - UNICEF works for child health, education, nutrition, safety, and emergency support across the globe. - Headquarters: New York City, USA - Tagline: For every child - Key Campaigns: Fair Start, Champions for Children, Early Moments Matter
12 th December	International Day of Neutrality	On 2 February 2017 UN, declared 12 December as the International Day of Neutrality.
12 th December	International Universal Health Coverage Day	- On 12 December 2017, the United Nations proclaimed 12 December as International Universal Health Coverage Day (UHC Day) - The 2025 UHC Day campaign theme, "Unaffordable health costs? We're sick of it!",
13 th December	U.S. National Guard Birthday	- December 13th commemorates the National Guard Birthday. - On December 13th, 1636, the Massachusetts General Court established an official militia for the first time in the American Colonies.
14 th December	International Day Against Colonialism in All Its Forms and Manifestations	- In 2025, the United Nations established 14 December as the International Day Against Colonialism in All Its Forms and Manifestations. - To implement the Declaration on the Granting of Independence to Colonial Countries and Peoples and related decisions, and to promote decolonization as one of its main mandates. - The eradication of colonialism remains a key priority for the United Nations, particularly under the Fourth International Decade for the Eradication of Colonialism (2021-2030).
14 th December	Hanukkah Beginning	- Hanukkah is an eight-day Jewish festival of lights commemorating the rededication of the Temple in Jerusalem. - In 2025, Hanukkah will begin on the evening of December 14 and conclude on December 22. - Hanukkah is celebrated to commemorate the rededication of the Second Temple in Jerusalem after the Maccabean Revolt in the 2nd century BCE.

14 th December	National Energy Conservation Day	- National Energy Conservation Day is observed annually on December 14 to raise awareness about the importance of energy conservation and to highlight the nation's achievements in energy efficiency. - National Energy Conservation Day, or Rashtriya Urja Sanrakshan Diwas, observed annually since 1991. - In 2024, India formally joined the International Energy Efficiency Hub.
16 th December	Vijay Diwas	- Vijay Diwas 2025 will be observed on 16 December to commemorate India's historic victory in the Indo-Pakistan War 1971, which led to the liberation of Bangladesh. The day honours the Indian Armed Forces and the Mukti Bahini. In Vijay Diwas 2025, India marks 54 years of this decisive victory. - The Indo-Pakistan War 1971 was a 13 day high-intensity conflict fought on eastern and western fronts, ending with Pakistan's largest military surrender. War began after Pakistan's pre-emptive airstrikes on 11 Indian airbases on 3 December 1971. - The Eastern Front focused on East Pakistan (now Bangladesh); Western Front saw battles along Punjab, Rajasthan, and Jammu borders. Field Marshal Sam Manekshaw, Chief of Army Staff, led India's integrated military strategy. Operation Trident (4 December 1971) severely damaged Karachi port, destroying Pakistani naval assets. Iconic battles included Longewala, Parbat Ali, and Chachro raid by 10 Para Commandos under Lt Col Bhawani Singh. - On 16 December 1971, about 93,000 Pakistani soldiers surrendered, the largest surrender since World War II. Bangladesh emerged as a sovereign nation after a brutal liberation struggle supported decisively by India
18 th December	Minorities Rights Day in India	- Minorities Rights Day is observed annually on 18th December to commemorate the adoption of the UN Declaration on the Rights of Persons Belonging to National or Ethnic, Religious, and Linguistic Minorities in 1992. - Minorities Rights Day in India is observed by the National Commission for Minorities, emphasizing the importance of religious harmony, mutual respect, and fostering a deeper understanding of all minority communities. The Constitution of India to protect minority rights: Article 29 guarantees all sections of citizens (minorities and non-minorities) the right to conserve their distinct language, script, or culture. Article 30 grants religious and linguistic minorities the right to establish and administer educational institutions of their choice, recognised by the Supreme Court as a vital protection against state interference. Article 350A ensures primary education in the mother tongue for children belonging to linguistic minorities. Article 350B provides for a Special Officer for Linguistic Minorities to monitor safeguards and report to the President.

		▪ Article 347 allows special provisions for languages spoken by a section of a state's population.
18 th December	International Migrants Day	▪ 2025 Theme: My Great Story: Cultures and Development ▪ Establishment: Created by the UN in 2000 to raise awareness about migrant rights. – International Convention: UN's 1990 convention on migrant worker rights came into force in 2003.
18 th December	World Arabic Language Day	▪ 2025 Theme — Innovative Pathways for Arabic: Policies and Practices for a More Inclusive Linguistic Future ▪ celebrated every year on 18 December since 2012. 18 December 1973 included Arabic among the official and working languages of the United Nations.
20 th December	International Human Solidarity Day	▪ In 2005, the General Assembly proclaimed 20 December of each year as International Human Solidarity Day. ▪ Earlier, in 2002, the General Assembly established the World Solidarity Fund to eradicate poverty and promote human and social development. ▪ The theme is "Solidarity for Sustainable Development: Uniting Communities for a Shared Future,".
21 st December	World Basketball Day	▪ Basketball was played for the first time on December 21, 1891 at the International YMCA Training School in Springfield, Massachusetts, USA. ▪ On 25 August 2023, the General Assembly adopted resolution proclaiming 21 December as World Basketball Day. ▪ Theme: Basketball: Crafting an Enduring Legacy for A Better Future
21 st December	World Meditation Day	▪ General Assembly proclaimed 21 December as World Meditation Day in 2024
22 nd December	National Mathematics Day	▪ National Mathematics Day is observed every year on December 22 to commemorate the birth anniversary of Srinivasa Ramanujan, one of India's most influential and globally recognised mathematicians. ▪ The observance was formally instituted by the Government of India in December 2011, The following year, 2012, was observed nationwide as the National Mathematics Year. ▪ Ramanujan is remembered for his pioneering work in mathematical analysis, number theory, infinite series and continued fractions. About Srinivasa Ramanujan: ▪ Born on 22nd December, 1887 in Erode, Tamil Nadu and died on 26th April 1920 in Kumbakonam, Tamil Nadu, India. ▪ In 1911 Ramanujan published the first of his papers in the Journal of the Indian Mathematical Society. ▪ In 1913 he began a correspondence with the British mathematician Godfrey H. Hardy which led to a special scholarship from the University of Madras and a grant from Trinity College, Cambridge. ▪ In 1918 he was elected to the Royal Society of London. ▪ Ramanujan was one of the youngest members of Britain's Royal Society and the first Indian to be elected a Fellow of Trinity College, Cambridge University.

		- Ramanujan compiled around 3,900 results consisting of equations and identities. One of his most treasured findings was his infinite series for Pi. - He gave several formulas to calculate the digits of Pi in many unconventional ways. Ramanujan number: 1729 is known as the Ramanujan number. - It is the smallest number which can be expressed as the sum of two different cubes in two different ways.
23 rd December	Kisan Diwas(National Farmers' Day)	- The National Farmers Day also known as Kisan Diwas is celebrated on 23rd December every year to mark the Birth Anniversary of the 5th Prime Minister of India, Shri Choudhary Charan Singh. - This year, the central focus for Kisan Diwas 2025 revolves around 'Viksit Bharat 2047 – The Role of FPOs in Globalising Indian Agriculture' - It was officially declared as National Farmers Day by the Government of India in 2001. Chaudhary Charan Singh - He was an Indian freedom fighter, eminent statesman, and agrarian reformer who served as the fifth Prime Minister of India from 1979 to 1980. Born on 23 December 1902 in a farming family in Uttar Pradesh. - Played a decisive role in implementing zamindari abolition laws in Uttar Pradesh (1950s), which transferred land ownership rights to millions of tenant farmers, ending the feudal agrarian structure - As Revenue Minister and later Chief Minister of Uttar Pradesh, he framed land reform policies that imposed ceilings on landholdings, benefiting small and marginal farmers. Authored the landmark book "India's Poverty and Its Solution" (1939).
24 th December	National Consumer Day	- National Consumer Day is observed in India on 24 December each year to highlight the significance of consumer rights and the broader framework of consumer protection. - It was on this day that the Consumer Protection Act, 1986, enacted. - Theme "Efficient and Speedy Disposal through Digital Justice,"
24 th December	DMRC Foundation Day	- Delhi Metro Rail Corporation (DMRC) - It was on 24th December, 2002 that the first Delhi Metro train, TS-01, was flagged off by the then Prime Minister, Sh. Atal Bihari Vajpayee, introducing a new era of modern public transport in Delhi NCR. - Manufactured by the MRM Consortium in South Korea, the train was transported to Kolkata by ship and then to Delhi via the Indian Railways network.
24 th December	International Day against Cybercrime	- The United Nations Convention against Cybercrime was adopted by consensus through General Assembly resolution of 24 December 2024. - Theme "Cyber Suraksha Drive-A Truckload of Information to Stay Safe Online"

25 th December	Good Governance Day (India)	- December 25th is celebrated as Good Governance Day (Sushasan Diwas) in India, established in 2014 to honor former Prime Minister Atal Bihari Vajpayee on his birthday Birth: Born on 25th December, 1924, in Gwalior, Madhya Pradesh, he was a poet and politician. Political Career: He served as India's Prime Minister three times: briefly in 1996, for 13 months in 1998 and 1999, and full-time from 1999 to 2004. Recognition: In 2015, he was conferred India's highest civilian honour, the Bharat Ratna. He received Padma Vibhushan in 1994.
